

A Sequence of Events

During one of the Bible studies, I was asked a question about salvation and the time of the Great Tribulation. When I attempted to explain, there was not an adequate way to explain certain things that occur without some form of timeline. To assist the individual, I promised that I would produce a sequence of events that gave the major occurrences from the rapture to the new heavens and new earth.

This sequence of events is not set at a specific time in the future, just that the events will occur in sequence beginning at some point in the future. Neither is the chart done to scale. Having it to scale would not benefit our understanding one iota. What is profitable is knowing what events, in what order, and why they are ordered that way.

I pray it is profitable for you.

The Fourth Horseman

The following audio is from a recent Wednesday night service in which Article 5 of our Statement of Faith is being taught. The lesson concentrates on the fourth horseman in Revelation, Chapter 6, but touches on the other three horsemen and what they mean, as it is necessary to understanding the Fourth Horseman and the reason Death and Hell exist. I pray you find it profitable.
