

www.reproachofmen.org updated

I have updated and revamped the Statement of Faith page and all the Article pages. There are now 25 articles in the Statement of Faith. I am particularly delighted to have been moved to post the Liberty of the Conscience article as this is a very old Baptist doctrine that have never really been put on paper. It has been openly declared by true Baptists for a very long time, and insures that true Baptists never persecute anyone for their beliefs.

Please enjoy the articles in the Statement of Faith. I pray they are a blessing.
